

PRODUCT USE GUIDE FOR SENSES HAIR & BODY GEL H2

Product Description

Ideal for all shower area locations. For all over body use. Has an invigorating tropical fragrance.

Product Features

- Its neutral pH formulation helps to prevent skin irritation which can take place when using conventional bar soaps.
- Leaves the body smooth and clean and with an invigorating fresh fragrance.
- Complies with the Cosmetic Regulations

Direction for Use

- Dispense a small portion of gel onto the palm of the hand or sponge.
- Apply to body. Lather well and rinse thoroughly.
- Can be used through a wall mounted or 5L pump dispenser.
- Thoroughly rinse the dispenser with warm water, pumping through the nozzle at least once a month to avoid blockage.

Toxicological Information

- This product is formulated from cosmetic grade ingredients and is intended to be applied directly to the skin. If you are allergic to any of its ingredients, do not use this product. If any allergic reactions are suffered, discontinue use of this product immediately and seek medical advice.

Shelf Life

- The shelf life of this product is 30 months. Although it's colour and appearance may alter within this period in hot climates. Once opened, the 5L container should be used within 3 months. The 500ml pack should be used within 12 months.

Storage

- Store between 0°C and 40°C. Do not allow to freeze

Environmental Hazards

- Do not allow large quantities of neat liquid to enter surface waterways.
